Volume 23 Number 5

Serving Southeastern Michigan Since 1970

July 1994

VOTE

AUG. 2

Lifespan sent the following five-question survey to each Democratic and Republican candidate for Governor, U.S. Senate, U. S. House of Representatives, Michigan State Senate and Michigan State House of Representatives:

1. In the future, the U.S. Supreme Court may vote to overturn its 1973 decision legalizing abortion on demand. In that event, would you SUPPORT legislation permitting states to restore protection to unborn children, except to prevent the death of the mother?
2. Rape, incest and fetal deformity have all been offered as reasons for legislation to deprive innocent unborn children of their civil rights. Would you OPPOSE these exceptions?
3. Would you SUPPORT all legislative efforts to prohibit tax-funding of abortion except where necessary to prevent the death of the mother?
4. Would you SUPPORT legislation that would ban fetal experimentation and the use of tissue from aborted babies for transplant treatment of diseases?
5. Would you OPPOSE legislation which would allow assisted suicide?

NOTE: Lifespan is not a political organization and does not endorse candidates for election. We have surveyed the candidates as a service to our members. The responses we received are printed without bias, although some had to be edited because of space limitations. The questionnaires are on file at Lifespan's Main Office for your perusal. If you need further verification on a candidate's stand on these or other issues, please contact the candidate directly. Turn to pages 4 and 6 for district maps.

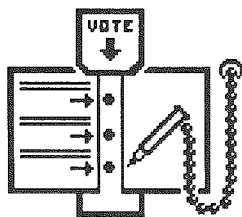

Registering to vote

In Michigan you may register to vote if:

- You are a United States' citizen
- You are at least 18 years old by election day
- You have lived in Michigan for at least 30 days before the election in which you are voting

To register, simply appear in person at any Secretary of State Branch Office, or at your city, township or village clerk's office. Fill out a form swearing you are who you are, sign your name, and that's it! Under special circumstances you may register by mail.

You may register at any time. However, you must be registered 30 days in advance of an election in order to vote in that election. If you have moved, notify the local clerk. If you move within Michigan during the 60 days before an election, you may vote at your former precinct in that election. You may only be registered in one precinct at a time.

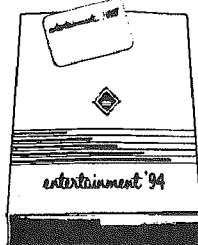

Absentee ballots

According to Michigan law, you are eligible to vote by absentee ballot if one of the following applies:

- You are 60 years of age or older
- You will be out of town on election day
- You prefer to vote absentee because of illness, physical disability or religious tenets
- You are confined to jail awaiting arraignment or trial
- You are an election precinct inspector in a precinct other than the one where you preside

To get an absentee ballot simply call or write to your city, township or village clerk and ask for an absentee voter application. Or, apply in person to the clerk and fill out a standard form. If you want the ballot mailed to you, your application must be received by 2:00 p.m. on the Saturday before an election date. Your vote must reach your local clerk before the polls close on election day at 8:00 p.m.
