Volume 14 Number 6

Serving Southeastern Michigan Since 1970

July/August 1992

VOTE - AUGUST 4

The following five-question survey was sent to each candidate for the U.S. House of Representatives and the Michigan State Legislature:

1. In the near future, the U.S. Supreme Court may vote to overturn its 1973 decision legalizing abortion on demand. In that event, would you SUPPORT legislation permitting states to restore protection to unborn children, except to prevent the death of the mother?
2. Rape, incest, and fetal deformity have all been offered as reasons for legislation to deprive innocent unborn children of their civil rights. Would you OPPOSE these exceptions?
3. Would you SUPPORT all legislative efforts to continue to prohibit tax-funding of abortion except where necessary to prevent the death of the mother?
4. Would you SUPPORT legislation that would ban fetal experimentation and the use of tissue from aborted babies for transplant treatment of diseases?
5. Would you OPPOSE legislation if it contained provisions which would cause a person's death who was not imminently dying?

NOTE: Lifespan is not a political organization and does not endorse candidates for election. We have surveyed the candidates as a service to our members. The responses we received are printed without bias, although some had to be edited because of space limitations. The Questionnaires are on file at the Main Office for your perusal. If you need further verification on a candidate's stand on these or other issues, please contact the candidate directly. Turn to page 6 for the new district maps.

Father's Day fundraiser a big success!

Many thanks to Our Lady of the Lakes, St. Perpetua and St. Irenaeus for test marketing our "Life is Sweet" candy sale on Father's Day.

We are grateful to the church representatives for taking a chance on this new idea. It paid off and will

become a permanent project of Lifespan in all Chapters.

Thanks, also, to St. Hugo of the Hills and St. Benedict for supporting a Father's Day carnation sale to thank Dads for Life. They were equally profitable. What would we do without our Dads!

Volunteers needed!

Please give us a few hours every week in our office beginning this fall. Call the office to set the time and day you can help out.

The waiting work is burying us and paralyzing our efforts. We must dig ourselves out to be more effective in the prolife movement. Don't delay. Call today. Summer help is always welcome. The unborn, handicapped and elderly need us in all seasons. No vacations here!
