ABORTION PILL REVERSAL

Purpose:

The purpose of this conference is to describe a medical abortion, describe how to reverse a medical abortion, and to explain how attendees can become involved in helping a mother reverse a medical abortion.

Objectives:

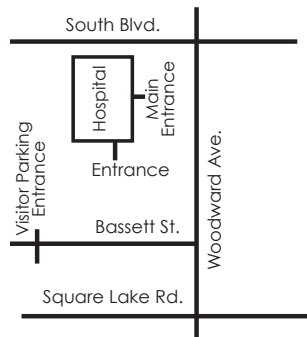

1. Explain the process of a medical abortion and the process used to reverse it.
2. State the success rate of reversing a medical abortion.
3. State how to become a part of the Abortion Pill Reversal (APR) community either privately or through a Pregnancy Medical Clinic that provides APR.
4. Under new federal guidelines, explain how administering fewer opioids will control pain.

Location:

Franco Communications Center
St. Joseph Mercy Oakland
44405 Woodward Avenue
Pontiac, MI 48341
248.858.3000

Directions:

Located north of Square Lake Rd. on the west side of Woodward Ave. Enter the free visitor parking lot off Bassett St. **The Franco Auditorium is on the lower level off the hospital lobby.**

Speakers:

George Delgado, MD is the medical director of APR and Culture of Life Family Health Care. He established the abortion pill reversal program and in April of this year published a second research study involving 261 successful medical abortion reversals. Dr. Delgado is a sought-after speaker and has made hundreds of presentations on all pro-life issues.

Tracey Fish, MS, PA-C and Kirstie Almy, MS, PA-C are physician assistants at Crossroads Care Center. They perform ultrasounds as well as STD testing and treatment at the center and plan to offer APR soon.

Nancy Hauff, PhD, MSN, RN, is Board President of Gianna House and is currently a full-time faculty member at the Wayne State University College of Nursing, teaching undergraduate perinatal nursing. In addition, she continues to work as a staff nurse at the DMC Hutzel Women's Hospital.
