Keynote Address: "The Social Injustice of Abortion" with Ryan Bomberger, *Radiance Foundation*

"Ryan has a rather unique perspective of the innate nature of Purpose. His biological mother was raped yet courageously gave him the gift to live and the beautiful gift of adoption. He was adopted at 6 weeks of age and grew up in a loving, multi-racial Christian family of 15. With siblings of varying ethnicities, he grew up with a great appreciation for diversity. Ten of the thirteen children were adopted in this remarkable family. His life defies the myth of the "unwanted" child as he was adopted, loved and has flourished.

Today, he is an Emmy® Award-winning Creative Professional and founder of *The Radiance Foundation*."
