**October 20-21: Right to Life – LIFESPAN LIFESPAN's Lil' Library Project**

**DID YOU KNOW?** Have you ever noticed miniature house-like structures on wooden posts popping up in your neighborhood? These "Lil' Libraries" were created to continue spreading the love of reading and knowledge. These Libraries offer LIFESPAN the opportunity to share that LIFE is IMPORTANT and to be RESPECTED. Our grassroots approach is to supply neighborhood "Lil' Libraries" with two pre-selected books appropriate for children of pre-school and primary grades. These books celebrate the joy of LIFE. Call or email us to obtain two books for each location that you have discovered in your town. Be prepared to report the address of the location(s). This is an ongoing event that you can participate in, at any time.

**October 27-28: Right to Life - LIFESPAN Abortion is NOT a Constitutional Right!**

**DID YOU KNOW?** On January 22, 1973, when the U.S. Supreme Court handed down the Roe v. Wade decision, it never declared abortion itself to be a constitutional right. The Justices even confessed that..."We need not resolve the difficult question of when life begins...the judiciary at this point in the development of man's knowledge is not in a position to speculate as to the answer." The Supreme Court made a key admission: "If this suggestion of personhood is established, the appellant's case (i.e. "Roe"), of course collapses, *for the fetus' right to life is then guaranteed specifically by the 14<sup>th</sup> Amendment.*"
