### November 3-4: **Right to Life - LIFESPAN** Election Prayer for Life

O God, we acknowledge you today as Lord,  
Not only of individuals, but of nations and governments.

We thank you for the privilege  
Of being able to organize ourselves politically.  
Awaken your people to a commitment to justice  
To the sanctity of marriage and the family,  
To the dignity of each human life,  
And to the truth that human rights begin when human lives begin,  
And not one moment later.

We ask this through Jesus Christ our Lord. Amen.

*Excerpts of a prayer by Fr. Frank Pavone, National Director, Priests for Life*

### November 10-11: **Right to Life – LIFESPAN** Believe It or Not!

**DID YOU KNOW?** In 1963 **Planned Parenthood (PP) denounced abortion** in a pamphlet, entitled “Plan Your Children.” In response to the question “Is it (birth control) an abortion?” their answer was “Definitely not. **An abortion kills the life of a baby** after it has begun. It is dangerous to your life. It may make you sterile so that when you want a child you cannot have it...” What has changed since then? **Nothing! Abortion still kills the life of a baby!** PP just discovered they could make money (major money) performing abortions, so PP decided not to mention that a baby would lose its life and risk the health of the mother.

**November 17-18: Right to Life – LIFESPAN To All of Our Pro-life Friends  
“We’re Thankful for You”**

Thanksgiving is the appointed time for focusing on the good in our lives.

In each of our days, we can find small blessings, but too often we overlook them, choosing instead to spend our time paying attention to problems.

We give our energy to those who cause us trouble instead of those who bring peace.

*By Joanna Fuchs*

Starting now, let’s be on the lookout for the bits of pleasure in each hour, and appreciate the people who bring love and light to everyone who is blessed to know them.

You are one of those people.

On Thanksgiving,

We are thankful for you.

**HAPPY THANKSGIVING!**

**November 24-25: Right to Life - LIFESPAN The Abortion Clock**

**DID YOU KNOW?** Have you ever wondered just how many lives have been lost to abortion since *Roe v Wade* in 1973? Lives that can never be replaced, whose destinies are unfilled, whose contributions to our world are never to be seen? The website, [www.numberofabortions.com](http://www.numberofabortions.com), will show you exactly how many, here in the U.S. and worldwide. We have the power to stop the clock.
