

Providing clothing, blankets, diapers, bottles...  
and a little bit of love...to very special babies

August 2021

Dear Friends,

Every year about this time, I send a letter asking if you would continue or add our **Wee Care** babies to your Giving Tree at Christmastime. (**Wee Care**, as you know, is an ongoing outreach program of *Right to Life - LIFESPAN*, who provides warm blankets, tiny clothing, diapers and so much more to more than 600 families each year.).

THIS YEAR, I don't honestly know how to begin to ask you. So many churches and organizations have been adversely affected by the pandemic and as with most charities and non-profits – COVID had a devastating impact on our donations and supplies for our moms and their precious babies. In 2020 and 2021, most giving trees, baby showers, and baby collections were understandably cancelled. Although our world as we knew it came to an abrupt stop, our babies continued to be born to our teen moms, our jobless moms, our homeless moms, and to all our moms in desperate situations. These special babies bring love and hope to a frightened, anxious world.

But, we need your help. In over 27 years, never in the history of **Wee Care** has our need been greater! Would you be able to continue or add us to your giving tree this year? If that is not possible, would you consider a gift card or monetary donation collection? Please call me with suggestions or questions: 734-524-0165. We would be so grateful for ANY help!

Our prayers this Christmas are not only for our moms and babies and our much needed supplies, but for our Country to be healthy and our churches once again to overflow with members joyously celebrating together the birth of a tiny baby, wrapped in swaddling clothes and laying in a manger. May God bless you all!

Sincerely,

*Karen Patrosso*
