WAYNE COUNTY Church Notes

September 2021

Hello, Pro-life Heroes

One last time, these Church Notes include the latest version of the *LIFESPAN Links for Life Golf Outing* flier and also a registration form. Please consider joining us for golf or sponsoring the event on behalf of your parish, community, organization, or business. *Links for Life* is on September 13.

Looking forward, we have the National Day of Remembrance for Aborted Children on September 18 and Life Chain on October 3. It would be great to schedule a Rose Ceremony on either Sept. 18 or anytime in October during Respect Life Month. Please talk to your pastor and inquire if this might be an event your church would like to host. Expect many more details in next month's Church Notes, but the 2021 CIDER Walk for Life will take place on Sunday, October 17. It will be back at a park as in the past and we hope to include a brief speaker as well as the traditional walk with cider and doughnuts. At this time, the location is to be determined. We will update you as details are finalized for the CIDER Walk.

We renew our plea for all Church Representatives to consider speaking to another pro-life supporter within your church community about becoming an Assistant Representative. For the continuation of *LIFESPAN's* pro-life mission in your church community and our local area, we ask that all of you invite another community member or members to learn the role of Church Representative and assist you. This will benefit you with additional help for projects such as Mother's Day, Christmas Cards, and submitting our weekly notes into your church bulletin. It will also free you to go on vacation, care for an ailing relative, or recuperate yourself without worry that your church will go without a *LIFESPAN* presence. It will benefit *LIFESPAN* by adding new pro-life messengers. Please help to ensure that this important work for human dignity from conception until natural death will carry on for generations to come! Please email our office at wedr@rtl-lifespan.org or call 734-422-6230 with the name(s), phone number, and email address of new Assistant Rep(s). Look for a Church Representative meeting to take place sometime in November. A date will be announced in either the October or November Church Notes.

"I am pleased the Supreme Court has taken up the Mississippi law, which will give the Court a chance to reconsider the current misguided abortion jurisprudence...As a Senator, a woman, and as a mother, I think this case offers us a chance to return the abortion issue to the political process and away from activist judges."

—U.S. Senator Cindy Hyde-Smith of Mississippi

Church Notes September 2021**

September 4-5: Right to Life - LIFESPAN For All Those who Labor for a Culture of Life
This Labor Day, *LIFESPAN* especially celebrates all those who labor for the right to life from conception to natural death. We celebrate all you workers, volunteers, and donors who participate in the pro-life movement. We appreciate the religious, cultural, and academic leaders who have the courage to speak out for life. We acknowledge the doctors, nurses, and health care workers who serve who care for those in hospice and the physically and mentally handicapped. We are proud of all health care workers who conscientiously refuse to participate in the evils of abortion and euthanasia, increasingly to the risk of their current employment. Call LIFESPAN at 734-422-6230 or e-mail wcdtr@rtl-lifespan.org to tell us about a pro-life hero who should be recognized.

September 11-12: Right to Life - LIFESPAN Friends of the Legal Right to Life
The *Dobbs v. Jackson Women's Health* case regarding Mississippi's ban on abortions beyond 15 weeks has drawn great attention as it may finally return the issue of abortion to the democratic process. A who's who of pro-life organizations and leaders have filed amicus curiae, "friend of the court" briefs, with the U.S. Supreme Court to back the State of Mississippi and its Attorney General Lynn Fitch in arguing the case. Twelve state Governors, 44 U.S. Senators, 184 U.S. Representatives, former Vice President Pence, 79 pro-life woman state legislators, the National March for Life, Susan B. Anthony List, Students for Life of America, Thomas More Society, Center for Medical Progress, Democrats for Life of America, and Americans United for Life, among many others have filed briefs to overturn the evil existing jurisprudence on abortion.

September 18-19: Right to Life - LIFESPAN National Day of Remembrance for Aborted Children
On this National Day of Remembrance for Aborted Children, *LIFESPAN* memorializes the over 62 million lives lost to abortion in the United States. That is an unimaginable toll. It would equal over 12 times the number of lives lost globally to Covid-19, about 6 times the lives lost in the Holocaust, and approach the estimated total number of victims of Joseph Stalin in the Soviet Union. On this solemn occasion, let us say no more and vow to speak the Truth about abortion in love! Speak out for the unborn victims and the women who fall victim to the lies of our society. Visit www.millifespan.org for opportunities to become involved in protecting all life.

September 25-26: Right to Life - LIFESPAN Sunday, October 3 is Life Chain 2021
Come join us for the annual **Life Chain** next Sunday, October 3 at a location near you. Most, but not all, sites run from 2-3:30pm. *LIFESPAN* provides large signs with peaceful, positive pro-life messages and participants give witness for the right to life along roadides across Metro Detroit and the rest of the United States. This is family friendly opportunity for all ages to make a difference in the local community. Call *LIFESPAN* at 734-422-6230 or visit www.millifespan.org for more information and to find the **Life Chain** location nearest to you.
