### Right to Life - LIFESPAN

For more than 50 years - Since 1970 - *Right to Life - LIFESPAN* has been part of a worldwide movement to re-affirm the sanctity of human life and to protect innocent human life from conception through natural death.

We are a non-profit, non-sectarian, non-political organization. We focus our energies and resources on education and legislation to achieve our goals.

Our Outreach Program, **Wee Care**, provides emergency material help for 600 precious babies a year. Our Youth Outreach Program, **GENERATION TRUTH**, works locally to encourage participation in promoting, through their activities, a strong pro-life youth presence in the community.
