### March 12-13: *Right to Life – LIFESPAN*

### *An Answer to 49 Years of Prayer?*

Justice Clarence Thomas has consistently called for the Court to review *Roe* and *Casey* for years. He was largely silent in *Dobbs* arguments, but probably strategically so as Thomas is a sure vote to protect the unborn. Justice Neil Gorsuch is assumed to be a pro-life vote. Justices Thomas, Alito, Gorsuch, and Barrett seem poised to overturn *Roe*. Justice Kavanaugh seems more likely to vote to overturn *Roe* than not. Justices Sotomayor, Kagan, and Breyer are sure votes to maintain *Roe*. Chief Justice Roberts may seek a middle ground. Two results seem most likely. A 6-3 or 5-4 decision may overturn *Roe* and *Casey* outright. It is also possible that the 3 pro-abortion justices join with Roberts in a compromise ruling that would also need one more vote to maintain a right to abortion while upholding Mississippi’s 15-week ban and allowing States significant room to curtail abortions. Pray and hope that wisdom and courage are granted to our Supreme Court justices! Visit [www.milifespan.org](http://www.milifespan.org) for updates.

### *Farewell to 49 Years, We Pray!*

In 2020, LIFESPAN added an official policy on Human Trafficking. According to the U. S. Department of Justice, the Trafficking Victims Protect Act of 2000 and its reauthorizations explain that Human Trafficking is a criminal act that exploits a person by force, fraud, coercion, or their status as minor under age 18 to use them for labor, service, or commercial sex. Globally, human trafficking is a multi-billion dollar criminal industry with an estimated 24.9 million people currently entrapped or enslaved by human traffickers. LIFESPAN will continue to update you with educational notes on this truly evil practice in the upcoming months. Call 734-422-6230, or e-mail [wcdcr@rtl-lifespan.org](mailto:wcdcr@rtl-lifespan.org) to become involved in protecting life at all its stages.

### March 26-27: *Right to Life - LIFESPAN*

### *Vow to Appoint a New Pro-Abortion Justice*

We return to the US Supreme Court one more time. Justice Stephen Breyer has announced his upcoming retirement and you have probably heard the President has vowed to appoint an African-American woman as the new Justice. Certainly, an African-American woman on the court will speak well of America’s diversity and progress toward racial equality. However, what the news will not report is that the President has also vowed only to appoint a pro-abortion nominee. It is important to note that African-American communities are especially targeted by abortionists and the number of abortions of preborn African-Americans far outweighs the proportion of African-Americans in the general population and proportions of abortions by any other demographic group. It is important to advocate for justices who will pursue equal justice under the law for all races, creeds, and yes, those born and unborn! Call 734-422-6230 or e-mail [wcdcr@rtl-lifespan.org](mailto:wcdcr@rtl-lifespan.org) for volunteer opportunities.
