He is Risen! Be the Change!

Happy Easter!!! Despite the death and destruction of abortion that dominates in Michigan, we know that Christ triumphs over sin, death, and Satan! A much smaller form of good news is that the **Be the Change** youth event cancelled in March due to weather is rescheduled. Exciting speakers **Trevor Pollo** and **Bryan Kemper** will join *LIFESPAN* on **Saturday, April 29** at Auburn Hills Christian Church from 10am-2pm with check-in beginning at 9:30. While the focus is on 7th-12th grade students, **all are welcome!** Pizza will be served to attendees. Call Youth Director Lynn Gura at 248-816-1546 or e-mail oakmac@rtl-lifespanspan.org for registration info.

We also invite you to the **Be the Change** Youth event with guest speakers Trevor Pollo and Bryan Kemper on April 29 in Auburn Hills. And Justice for All?

Locally, **Mother and Unborn Baby Care** in Southfield (twice), **Lennon Center** in Dearborn Heights, and **Redford Pregnancy Care Center** have been attacked in the last year by pro-abortion vandals. No arrests have been made. U.S. Attorney General Merrick Garland stated before Congress that the FBI and Department of Justice has not made progress on such attacks because, "Those who are attacking the pregnancy resource centers...are doing this at night in the dark." Meanwhile, pro-life sidewalk counselors have been targeted for Federal prosecution. Join *LIFESPAN* in calling on the U.S. Government to provide equal justice for all...born and unborn! Please note that April 24 is your last chance to call 248-816-1546 to register for the **2023 LIFESPAN Silent Auction & Dinner** on May 9.

Human Trafficking Red Flags

A useful resource for international life and family issues is The Center for Human and Family Rights, C-Fam for short, found at <https://c-fam.org>. C-Fam is very active at the UN especially. Nations are currently negotiating a new World Health Organization (WHO) pandemic treaty at the UN. The current U.S. Ambassador to the U.N proposes to require all nations to consider, "sexual and reproductive health services," as essential health care in any future pandemics. It is another attempt to subvert nations with pro-life policies. Become a *LIFESPAN* member to help spread your pro-life values by calling 734-422-6230 or emailing wcdcr@rtl-lifespanspan.org.
