Introducing Julia Ferracciolo, Assistant Youth Director (Wayne Chapter)

My name is Julia and I am the new Assistant Youth Director for *RTL-LIFESPAN* Wayne Chapter. I have been pro-life since my conception and was raised to grow fervently for the cause. I am eager to see young people rebel against the pro-choice agenda and embrace life at every stage. Hence I will be reaching out to the youth to enact a revival in Michigan. I would love to help spread the plethora of resources available and get young people to events, as well as establish memberships in Wayne County. I am ecstatic to help LIFESPAN make a difference and stop abortion and euthanasia, protect all life, and share our passion for this gift of life.

Introducing Rebecca Bridgnanan, Wayne Chapter Office Manager

Hi, I'm Rebecca Bridgnanan! I'm excited to be part of the Wayne Chapter of *RTL-LIFESPAN*! I have previously worked for other national and state pro-life organizations before spending almost a decade working in corporate America. I am thrilled to be back supporting and promoting the pro-life cause! I graduated from Franciscan University (Go Barons!) in 2007. My husband and I have a wonderful and precocious 2-year-old daughter. Please feel free to stop in the office to say hi!

April 20-21: Right to Life – LIFESPAN *Introducing Julia Ferracciolo*
My name is Julia and I am the new **Assistant Youth Director** for the **LIFESPAN Wayne Chapter**. I have been pro-life since my conception and I am eager to see young people rebel against the pro-choice agenda and embrace life at every stage. Hence I will be reaching out to the youth to enact a revival in Michigan. I would love to help spread the plethora of resources available and invite young people to LIFESPAN events in Wayne County. I am ecstatic to help LIFESPAN make a difference and stop abortion and euthanasia, protect all life, and share our passion for this gift of life. Contact Julia at youth@mifespan.org or 734-422-6230.

April 27-28: Right to Life – LIFESPAN *State Senate Targets the Elderly*
In November 2023, **Senate Bill #681** was introduced to the State Senate in Lansing to **legalize euthanasia in Michigan**. State Senators Cavanaugh, Hertel, Klinefelt, Singh, Moss, Geiss, Chang, Polehanki, McCann, Irwin, Bayer, and Wojno all sponsored SB 068. It was referred to the Senate Committee on Health Policy. Although it does not currently have the votes in the House or Senate, the 2024 elections to Statewide offices will be vital. Naming it “death with dignity”, “medical aid in dying”, or “mercy killing” will never avoid the reality that it targets those most vulnerable. It is already happening in Ontario and the death peddlers have their eyes on Michigan next. See SB 0681 of 2023 for yourself at: <http://legislature.mi.gov/doc.aspx?2023-SB-0681>. Call our office at 734-422-6230 or email wcd@rtl-lifespan.org to join as a LIFESPAN member or volunteer and be a hero for life at all stages.
