ANNUAL MOTHER'S DAY CARNATION PROJECT

Hello!

Our annual Mother's Day Carnation Project is fast approaching and it's time to order your carnations. This is such a special way to honor your moms, grandmothers, godmothers, and any woman who has played a special role in your lives. There is no cost to your faith community for this project. We suggest a donation of \$1.25 from those who select a carnation. Those monies are then returned to LIFESPAN.

There are two options: Live Carnations (delivered fresh from wholesale on 5/11/24) or Silk Roses.

We order the Live Carnations wholesale. We cannot select colors. Those who have decided to join in on this project order the number of flowers they think they will need from us using the form **on the opposite side of this page**. On the Saturday before Mother's Day, a representative from each faith community/group that has ordered flowers comes to our Livonia office and picks up his/her flowers. Each order will be in its own box(s) and a supply of ribbons and tags that say "Thanks Mom for Life" will be on hand to tie to the flowers.

We have Silk Roses in Red, White, Pink, and Yellow. You can request a certain color, although some colors have a very limited supply. Silk Roses are "first come, first serve" while supplies last.

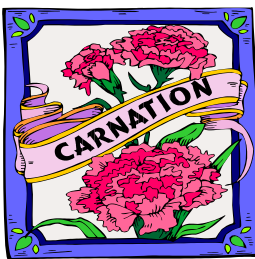

Steps to follow: 1) You take the flowers you have ordered back to your locale, 2) get some volunteers to help you cut the bottoms off the stems, 3) tie a ribbon with a tag on each flower, 4) place the flowers in warm water, and 5) wait for the shower of smiles that you will see as members of your faith community/group take the flowers and give them to the special ladies in their life!!! After Mother's Day weekend, send us a check in the amount of the donations that were collected.

This is a great fundraiser for LIFESPAN. If you have never tried it before, maybe you would like to participate this year! **On the opposite side of this page**, you will find an Order Form for Live Carnations and Silk Roses.

THE ORDERING DEADLINE is TUESDAY, April 30, 2024!

Thanks for helping us as well as Moms and their babies!
