The 2024 **Life Chain** is **Sunday, October 6** at over 30 locations throughout Metro Detroit. Please call the Chapter Office at 734-422-6230 to reserve and pick up Life Chain signs for your location anytime between now and Thursday, October 3. Flier is on an insert.

The 2024 **Pro-Life Legislative Luncheon** takes place on **Saturday, October 19** at Laurel Manor in Livonia with doors open at 10:30am and program beginning at 11. Speakers Jason Negri and Rep. The 2024 **Bowling for Life** is set for **Saturday, November 16** from 1-4pm at Woodland Lanes in Livonia. Bowlers will collect pledges per pin, per strike, or per game. Flier is inside the notes.

Lifespan's Generation Truth youth ministry sponsors three events in October. **National Pro-Life Cupcake Day** on **Wednesday, October 9** reminds us of all the birthdays left uncelebrated due to abortion. **Autumn Pro-Life Sidewalk Chalking Day** is **Tuesday, October 15**. Help the young to chalk pro-life words, slogans, and art on a sidewalk near you. Free chalk is available. Both event fliers are on an insert. **Pro-Life Day of Silent Solidarity** is also on **October 15**. Contact Julia at [youth@milifespanspan.org](mailto:youth@milifespanspan.org) for details on youth events.

Registration is open for the **Movement in Motion Bus Trip to the National March for Life in Washington D.C. until November 15**. The buses leave am on Thursday, January 23 and return pm on Saturday, January 25. New this year is the Adult Bus option. As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

***For the preborn, aged, trafficked, & vulnerable, Vote Pro-Life!***

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. Lifespan's Generation Truth youth ministry sponsors three events in October. **National Pro-Life Cupcake Day** on **Wednesday, October 9** reminds us of all the birthdays left uncelebrated due to abortion. **Autumn Pro-Life Sidewalk Chalking Day** is **Tuesday, October 15**. Help the young to chalk pro-life words, slogans, and art on a sidewalk near you. Free chalk is available. Both event fliers are on an insert. **Pro-Life Day of Silent Solidarity** is also on **October 15**. Contact Julia at [youth@milifespanspan.org](mailto:youth@milifespanspan.org) for details on youth events.

Registration is open for the **Movement in Motion Bus Trip to the National March for Life in Washington D.C. until November 15**. The buses leave am on Thursday, January 23 and return pm on Saturday, January 25. New this year is the Adult Bus option. We do expect new **Christmas Cards** to arrive in mid-October. We will send an email blast and include the promotional materials for this year's Christmas Cards in the November Church Notes. We will also offer our inventory of the popular large and small cards from 2022 and 2023.

As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. **October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. In 2024, a new adult bus has been added to the traditional youth buses. As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. We do expect new **Christmas Cards** to arrive in mid-October. We will send an email blast and include the promotional materials for this year's Christmas Cards in the November Church Notes. We will also offer our inventory of the popular large and small cards from 2022 and 2023.

As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Help the young to chalk pro-life words, slogans, and art on a sidewalk near you. Free chalk is available. Both event fliers are on an insert. **Pro-Life Day of Silent Solidarity** is also on **October 15**. Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. **October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. Registration is open for the **Movement in Motion Bus Trip to the National March for Life in Washington D.C. until November 15**. The buses leave am on Thursday, January 23 and return pm on Saturday, January 25. New this year is the Adult Bus option. We do expect new **Christmas Cards** to arrive in mid-October. We will send an email blast and include the promotional materials for this year's Christmas Cards in the November Church Notes. We will also offer our inventory of the popular large and small cards from 2022 and 2023.

As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. **October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. **Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. We do expect new **Christmas Cards** to arrive in mid-October. We will send an email blast and include the promotional materials for this year's Christmas Cards in the November Church Notes. We will also offer our inventory of the popular large and small cards from 2022 and 2023.

As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Help the young to chalk pro-life words, slogans, and art on a sidewalk near you. Free chalk is available. Both event fliers are on an insert. **Pro-Life Day of Silent Solidarity** is also on **October 15**. **Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. **October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. Registration is open for the **Movement in Motion Bus Trip to the National March for Life in Washington D.C. until November 15**. The buses leave am on Thursday, January 23 and return pm on Saturday, January 25. New this year is the Adult Bus option. We do expect new **Christmas Cards** to arrive in mid-October. We will send an email blast and include the promotional materials for this year's Christmas Cards in the November Church Notes. We will also offer our inventory of the popular large and small cards from 2022 and 2023.

As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. **Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. We do expect new **Christmas Cards** to arrive in mid-October. We will send an email blast and include the promotional materials for this year's Christmas Cards in the November Church Notes. We will also offer our inventory of the popular large and small cards from 2022 and 2023.

As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. **Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. **October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. Registration is open for the **Movement in Motion Bus Trip to the National March for Life in Washington D.C. until November 15**. The buses leave am on Thursday, January 23 and return pm on Saturday, January 25. New this year is the Adult Bus option. Those 18+ ride a **LIFESPAN** bus, stay in a hotel, and attend the March on January 24. Flier is on an insert.

We do expect new **Christmas Cards** to arrive in mid-October. We will send an email blast and include the promotional materials for this year's Christmas Cards in the November Church Notes. We will also offer our inventory of the popular large and small cards from 2022 and 2023.

As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. Help the young to chalk pro-life words, slogans, and art on a sidewalk near you. Free chalk is available. Both event fliers are on an insert. **Pro-Life Day of Silent Solidarity** is also on **October 15**. **Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. We do expect new **Christmas Cards** to arrive in mid-October. We will send an email blast and include the promotional materials for this year's Christmas Cards in the November Church Notes. We will also offer our inventory of the popular large and small cards from 2022 and 2023.

As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. Help the young to chalk pro-life words, slogans, and art on a sidewalk near you. Free chalk is available. Both event fliers are on an insert. **Pro-Life Day of Silent Solidarity** is also on **October 15**. Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. **October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. Registration is open for the **Movement in Motion Bus Trip to the National March for Life in Washington D.C. until November 15**. The buses leave am on Thursday, January 23 and return pm on Saturday, January 25. New this year is the Adult Bus option. We do expect new **Christmas Cards** to arrive in mid-October. We will send an email blast and include the promotional materials for this year's Christmas Cards in the November Church Notes. We will also offer our inventory of the popular large and small cards from 2022 and 2023.

As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. **Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. We do expect new **Christmas Cards** to arrive in mid-October. We will send an email blast and include the promotional materials for this year's Christmas Cards in the November Church Notes. We will also offer our inventory of the popular large and small cards from 2022 and 2023.

As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. In 2024, a new adult bus has been added to the traditional youth buses. **Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. Registration is open for the **Movement in Motion Bus Trip to the National March for Life in Washington D.C. until November 15**. The buses leave am on Thursday, January 23 and return pm on Saturday, January 25. New this year is the Adult Bus option. Those 18+ ride a **LIFESPAN** bus, stay in a hotel, and attend the March on January 24. Flier is on an insert.

We do expect new **Christmas Cards** to arrive in mid-October. We will send an email blast and include the promotional materials for this year's Christmas Cards in the November Church Notes. We will also offer our inventory of the popular large and small cards from 2022 and 2023.

As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. **October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. The 2024 **Life Chain** is **Sunday, October 6** at over 30 locations throughout Metro Detroit. Please call the Chapter Office at 734-422-6230 to reserve and pick up Life Chain signs for your location anytime between now and Thursday, October 3. Flier is on an insert.

The 2024 **Pro-Life Legislative Luncheon** takes place on **Saturday, October 19** at Laurel Manor in Livonia with doors open at 10:30am and program beginning at 11. Speakers Jason Negri and Rep. The 2024 **Bowling for Life** is set for **Saturday, November 16** from 1-4pm at Woodland Lanes in Livonia. Bowlers will collect pledges per pin, per strike, or per game. Flier is inside the notes.

Lifespan's Generation Truth youth ministry sponsors three events in October. **National Pro-Life Cupcake Day** on **Wednesday, October 9** reminds us of all the birthdays left uncelebrated due to abortion. **Autumn Pro-Life Sidewalk Chalking Day** is **Tuesday, October 15**. Help the young to chalk pro-life words, slogans, and art on a sidewalk near you. Free chalk is available. Both event fliers are on an insert. **Pro-Life Day of Silent Solidarity** is also on **October 15**. Contact Julia at [youth@milifespanspan.org](mailto:youth@milifespanspan.org) for details on youth events.

Registration is open for the **Movement in Motion Bus Trip to the National March for Life in Washington D.C. until November 15**. The buses leave am on Thursday, January 23 and return pm on Saturday, January 25. New this year is the Adult Bus option. We do expect new **Christmas Cards** to arrive in mid-October. We will send an email blast and include the promotional materials for this year's Christmas Cards in the November Church Notes. We will also offer our inventory of the popular large and small cards from 2022 and 2023.

As pro-life leaders you know about the pro-abortion positions of Vice President Harris, but did you know Harris defended the End of Life Options Act which legalized euthanasia as California Attorney General? Remind your community members to educate themselves on where Michigan and Federal candidates stand on Euthanasia before casting a ballot!

***For the preborn, aged, trafficked, & vulnerable, Vote Pro-Life!***

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. **It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. **Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. **October 5-6: Right to Life – LIFESPAN**

**Learn about End-of-Life Issues**

LIFESPAN's annual Pro-Life Legislative Luncheon is Saturday, October 19 at Laurel Manor in Livonia. Doors open at 10:30am and program begins at 11. Keynote speaker Jason Negri will educate the audience on Advance Directives, Living Wills, Durable Power of Attorney for Health Care and debunk common propaganda for legalized euthanasia. State Rep. James DeSana will provide legislative updates on life issues pending in Lansing. Order tickets no later than October 10th online at <https://rtlifefspan.regfox.com/pro-life-legislative-luncheon> or contact the Chapter office at 734-422-6230 or [wcdr@rtl-lifespan.org](mailto:wcdr@rtl-lifespan.org). All adults may be but a tragic accident away from strangers making life or death decisions on our behalf.

**October 12-13: Right to Life – LIFESPAN**

**It's For the Kids!**

Shout out to the youth! We have many events for you this month. October 9 was National Pro-Life Cupcake Day. Even though the date has passed, it's not too late to bake or enjoy a cupcake for a cause today! Tuesday, October 15 is Pro-Life Day of Silent Solidarity Day. It was founded by our 2022 Be the Change speaker Bryan Kemper. Check out his [www.standtrue.com](http://www.standtrue.com) for more. October 15 is also Autumn Pro-Life Sidewalk Chalking Day. Tag us in your posts or send us a pic of your artwork on X @RTLLIFESPAN, Instagram @milifefspan, and Snapchat @milifefspan. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) for more details or free chalk.

**October 19-20: Right to Life – LIFESPAN**

**Euthanasia & Elections for State Offices**

Abortion is not on the ballot, but Euthanasia very much is in Michigan in 2024. Michigan Senate Bill (SB) 681, which would legalize euthanasia in Michigan, remains pending although unlikely to move, in this lame duck session. However, if the people of Michigan elect pro-euthanasia officeholders in 2024, Michigan is certain to legalize euthanasia in the 2025-26 legislative session. All SB 681 sponsors are Democrats, although there may be Republicans who would vote in favor of it. Before you cast a ballot for Michigan State Senate, State House of Representatives, State Supreme Court, or any other statewide office, be sure to know their position on Euthanasia. **For the preborn, aged, trafficked & vulnerable, Vote Pro-Life!**

**October 26-27: Right to Life – LIFESPAN**

**Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**November 2-3: Right to Life – LIFESPAN**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>. **Euthanasia & the Federal Election**

Harris-Walz is the most pro-abortion Presidential Ticket in American history. This is according to their own oft-repeated words on the campaign trail. In the September 9 Presidential Debate, Vice President Harris stated, "That is immoral," for states to put any limitations on abortion. As California Attorney General in 2016, Harris authored a legal brief in court to defend the End of Life Option Act, which legalized euthanasia in her home state of California. Be sure to find out where those who would serve in Federal office such as President, U.S. Senate, and U.S. House of Representatives stand on late-term abortion and euthanasia before casting your ballot. **For the preborn, aged, trafficked, and vulnerable, Vote Pro-Life!**

**Bus Trips to D.C. for Adults & Students**

Regardless of Tuesday's election results, it remains vital for pro-lifers to speak up for those who cannot speak for themselves. One great avenue to do so is at the National March for Life on January 24 in Washington, D.C. LIFESPAN's Movement in Motion Bus Trip to D.C. leaves January 23 and returns January 25. In 2024, a new adult bus has been added to the traditional youth buses. Contact Julia at [youth@milifefspan.org](mailto:youth@milifefspan.org) or register online by November 15 at <https://righttolifelifefspan.regfox.com/2025-movement-in-motion-youth-bus-trip-to-dc>.
