

WAYNE COUNTY CHAPTER NEWS

May 2025

Hello Pro-life Heroes,

It was great to see those of you new and existing Church Representatives who attended our recent Wayne Chapter Open House on Saturday, April 5. The idea was to make it more convenient to you than a set Church Representative Meeting at a more limited timeframe. We may look to hold a Church Representative Meeting on Zoom later in 2025. That said, the Chapter very much appreciates YOUR feedback and I again invite you to reach out to me personally as the Director (Tim Pruse) at any time with new ideas or suggestions for improving how we may serve you or better promote the pro-life cause in the local community.. My email is tpruse@milifespan.org and my mobile phone number is (248) 376-7071.

Inside is the promotional flyer for *LIFESPAN's Defending Life from Physicican Assisted Suicide Intensive Training* with expert presenter **Jason Negri on Saturday, May 17 9:00am-12:00pm at the St. Owen Parish Center in Bloomfield**. Jason was our speaker at the 2024 Legislative Luncheon last October and will present to those who wish to become community leaders on the end-of-life issues of physician assisted suicide and euthanasia. Those who come to the training will then be able to speak their churches, organizations, and the general public as to why Physician Assisted Suicide is an awful public policy. Many pro-life experts suspect there will be a ballot proposal in 2026 in Michigan to legalize physician assisted suicide similar to the ballot proposal (Proposal 3) to promote abortion in the State Constitution in 2022. Please share this flyer with those in your community such as doctors, nurses, estate planning lawyers, individuals with disabilities, and any organizations you think would benefit from sending a representative to attend. There is currently space for only 23 more participants in this important and timely training.

If you have yet to register for the 2025 **Celebration of Life Dinner and Silent Auction on Tuesday, May 6** to come see the pro-life message of Rachel Campos-Duffy please do so as soon as possible. Over 550 have already registered and 800 is full capacity. **Mr. Andrew Slonina** has been hired as our new **Wayne Chapter Office Manager** and began training in the office with Tim on Thursday, April 9. Please join me in welcoming Andrew as a member of the *LIFESPAN* Wayne Chapter team! Andrew will introduce himself to you in the June Rep Letter.

Mother's Day approaches and *LIFESPAN* offers fresh cut carnations or silk roses again in 2025. The order form was emailed out in and another insert is included in these notes. **Flower pick-up will be Saturday, May 10 from 9:30am-12:00pm. HAPPY MOTHER'S DAY!**

Yours for LIFE,

Timothy Pruse
Wayne County Chapter Director
