WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website.You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

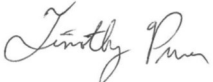

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

“The Constitution is a GLORIOUS LIBERTY DOCUMENT. Read its preamble, consider it’s purposes. Is slavery among them? Is it at the gateway? Or is it the temple? It is neither.”

- “What to the Slave is the Fourth of July?” July 5, 1852 speech by Frederick Douglass (and neither is Abortion or Assisted Suicide or Human Trafficking among those purposes!)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. This will allow us to educate you on assisted suicide in an even more timely and effective manner. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

July 5-6: *Right to Life – LIFESPAN*

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

July 19-20: *Right to Life – LIFESPAN*

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website.You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdrrtl@lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

July 19-20: Right to Life – LIFESPAN

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdrrtl@lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. 5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our **5th Annual Links for Life** charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a *LIFESPAN* member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

July 19-20: Right to Life – LIFESPAN

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Visit our new and improved website at <https://milifespanspan.org> or <https://michiganlifespanspan.org> for more information.

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

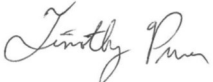

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

“The Constitution is a GLORIOUS LIBERTY DOCUMENT. Read its preamble, consider it’s purposes. Is slavery among them? Is it at the gateway? Or is it the temple? It is neither.”

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

July 19-20: Right to Life – LIFESPAN

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Visit our new and improved website at <https://milifespanspan.org> or <https://michiganlifespanspan.org> for more information.

This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, *LIFESPAN* is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: *CIDER Walk* on Saturday, October 4, *Legislative Breakfast* at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural *Pickleball Tournament* in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

July 5-6: *Right to Life – LIFESPAN*

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our **5th Annual Links for Life** charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a *LIFESPAN* member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

“The Constitution is a GLORIOUS LIBERTY DOCUMENT. Read its preamble, consider it’s purposes. Is slavery among them? Is it at the gateway? Or is it the temple? It is neither.”

- “What to the Slave is the Fourth of July?” July 5, 1852 speech by Frederick Douglass (and neither is Abortion or Assisted Suicide or Human Trafficking among those purposes!)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdrrtl@lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdrrtl@lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdrrtl@lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdrrtl@lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdrrtl@lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdrrtl@lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. July 5-6: Right to Life – LIFESPAN

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdrrtl@lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdrrtl@lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Visit our new and improved website at <https://milifespanspan.org> or <https://michiganlifespanspan.org> for more information.

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website.You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

“The Constitution is a GLORIOUS LIBERTY DOCUMENT. Read its preamble, consider it’s purposes. Is slavery among them? Is it at the gateway? Or is it the temple? It is neither.”

- “What to the Slave is the Fourth of July?” July 5, 1852 speech by Frederick Douglass (and neither is Abortion or Assisted Suicide or Human Trafficking among those purposes!)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

July 19-20: Right to Life – LIFESPAN

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Visit our new and improved website at <https://milifespanspan.org> or <https://michiganlifespanspan.org> for more information.

Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdrrtl@lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdrrtl@lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our **5th Annual Links for Life** charity golf outing. **Links for Life** tees off at 9:30am on **Friday, August 29** at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, *LIFESPAN* members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all *LIFESPAN* flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our **Defending Life from Physician Assisted Suicide** training with Jason Negri of the Patients Rights Action Fund on May 17. Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our **5th Annual Links for Life** charity golf outing. **Links for Life** tees off at 9:30am on **Friday, August 29** at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, *LIFESPAN* members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all *LIFESPAN* flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our **Defending Life from Physician Assisted Suicide** training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing *LIFESPAN* as a member of the **Michigan Alliance for Ethical Healthcare** which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, *LIFESPAN* is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: *CIDER Walk* on Saturday, October 4, *Legislative Breakfast* at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural *Pickleball Tournament* in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespanspan.org to become a *LIFESPAN* member and help protect the most vulnerable among us.

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

“The Constitution is a GLORIOUS LIBERTY DOCUMENT. Read its preamble, consider it’s purposes. Is slavery among them? Is it at the gateway? Or is it the temple? It is neither.”

- “What to the Slave is the Fourth of July?” July 5, 1852 speech by Frederick Douglass (and neither is Abortion or Assisted Suicide or Human Trafficking among those purposes!)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdrrtl@lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdrrtl@lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website.You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

“The Constitution is a GLORIOUS LIBERTY DOCUMENT. Read its preamble, consider it’s purposes. Is slavery among them? Is it at the gateway? Or is it the temple? It is neither.”

- “What to the Slave is the Fourth of July?” July 5, 1852 speech by Frederick Douglass (and neither is Abortion or Assisted Suicide or Human Trafficking among those purposes!)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdrrtl@lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdrrtl@lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Wayne County Chapter Church Notes July 2025

July 5-6: *Right to Life – LIFESPAN*

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Visit our new and improved website at <https://milifespanspan.org> or <https://michiganlifespanspan.org> for more information.

July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our **5th Annual Links for Life** charity golf outing. **Links for Life** tees off at 9:30am on **Friday, August 29** at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, *LIFESPAN* members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all *LIFESPAN* flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our **Defending Life from Physician Assisted Suicide** training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing *LIFESPAN* as a member of the **Michigan Alliance for Ethical Healthcare** which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, *LIFESPAN* is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: *CIDER Walk* on Saturday, October 4, *Legislative Breakfast* at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural *Pickleball Tournament* in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

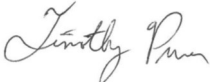

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website.You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

“The Constitution is a GLORIOUS LIBERTY DOCUMENT. Read its preamble, consider it’s purposes. Is slavery among them? Is it at the gateway? Or is it the temple? It is neither.”

- “What to the Slave is the Fourth of July?” July 5, 1852 speech by Frederick Douglass (and neither is Abortion or Assisted Suicide or Human Trafficking among those purposes!)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our **5th Annual Links for Life** charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a *LIFESPAN* member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. July 5-6: *Right to Life – LIFESPAN*

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our **5th Annual Links for Life** charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespanspan.org to become a *LIFESPAN* member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our **5th Annual Links for Life** charity golf outing. **Links for Life** tees off at 9:30am on **Friday, August 29** at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, *LIFESPAN* members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all *LIFESPAN* flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our **Defending Life from Physician Assisted Suicide** training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing *LIFESPAN* as a member of the **Michigan Alliance for Ethical Healthcare** which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, *LIFESPAN* is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

“The Constitution is a GLORIOUS LIBERTY DOCUMENT. Read its preamble, consider it’s purposes. Is slavery among them? Is it at the gateway? Or is it the temple? It is neither.”

(and neither is Abortion or Assisted Suicide or Human Trafficking among those purposes!)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdrrtl@lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website.You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

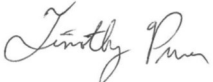

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

July 19-20: Right to Life – LIFESPAN

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

Wayne County Chapter Church Notes July 2025

July 5-6: Right to Life – LIFESPAN

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

July 19-20: Right to Life – LIFESPAN

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Visit our new and improved website at <https://milifespanspan.org> or <https://michiganlifespanspan.org> for more information.

WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our **5th Annual Links for Life** charity golf outing. **Links for Life** tees off at 9:30am on **Friday, August 29** at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, *LIFESPAN* members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all *LIFESPAN* flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our **Defending Life from Physician Assisted Suicide** training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing *LIFESPAN* as a member of the **Michigan Alliance for Ethical Healthcare** which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, *LIFESPAN* is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: *CIDER Walk* on Saturday, October 4, *Legislative Breakfast* at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural *Pickleball Tournament* in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

“The Constitution is a GLORIOUS LIBERTY DOCUMENT. Read its preamble, consider it’s purposes. Is slavery among them? Is it at the gateway? Or is it the temple? It is neither.”

- “What to the Slave is the Fourth of July?” July 5, 1852 speech by Frederick Douglass (and neither is Abortion or Assisted Suicide or Human Trafficking among those purposes!)

Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

“The Constitution is a GLORIOUS LIBERTY DOCUMENT. Read its preamble, consider it’s purposes. Is slavery among them? Is it at the gateway? Or is it the temple? It is neither.”

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website. You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: *Right to Life – LIFESPAN*

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website.You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

July 26-27: Right to Life – LIFESPAN

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website.You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

July 5-6: *Right to Life – LIFESPAN*

God Bless Life in America

We wish you a wonderful Independence Day weekend! The U.S. Dept. of Health and Human Services eliminated the Biden-era distortion of the Emergency Medical Treatment and Labor Act (EMTALA) on June 3 which was being dubiously interpreted to force ERs to provide abortions in states with post-*Dobbs* pro-life laws. Even better, pro-life states are saving tens of thousands of preborn lives every year! To give just 3 examples, Arkansas officially reported 0 abortions in 2024 down from a previous annual average of 3,200. Texas has reported 0 elective abortions and 171 “medically necessary” abortions since the Human Life Protection Act took effect in August 2022 (*Note: Zero abortions are medically necessary. Exceptions in Texas law are simply labelled as such*). Previously a minimum of 2,500 preborn were killed per month in Texas. Indiana reported 22 babies killed in abortions in the 1st Quarter of 2025, while 2,286 preborn were killed in the year 2022 before their post-*Dobbs* law took effect. **May God Bless America!**

5th Annual Links for Life Charity Golf

Join in the fun with Wayne Chapter at our 5th Annual Links for Life charity golf outing coming up on Friday, August 29. Links for Life tees off with a shotgun start at 9:30am at Fellows Creek Golf Club in Canton and includes 18 holes of golf, sit-down steak dinner, hot dog lunch, raffles, contests, trophies, and much more! Funds raised will help to provide these weekly church notes. We offer a lower rate than most outings and registration is open now. Visit <https://milifespanspan.org> or call or email the Chapter Office at 734-422-6230 or wcdcr@rtl-lifespanspan.org to register or and make inquiries. A flyer with QR code may also appear in your church bulletin. If you are unable to golf, sponsorship opportunities also start at \$100.

Bad News on Assisted Suicide

Delaware became the 12th state to legalize Assisted Suicide with an acts passed in the legislature and signed into law by Gov. Meyer on May 20. New York is likely the 13th state as the euphemistically-named Medical Aid in Dying Act passed the New York Assembly and then the Senate on June 9. Unless Gov. Hochul vetoed the bill by June 20, it is now the law. There was bipartisan opposition to the bill which puts a target on the disabled and other marginalized communities. New York Assemblywoman Rodneyse Bichotte Hermelyn, a Democrat from Brooklyn, stated assisted suicide presents, “Great risk of targeting vulnerable communities of color given the historical health disparities that they continue to face.” Republican Assembly Minority Leader Will Barclay notes, “We do not honor a person by hastening their death, but by affirming the value of life, even in its final chapter.” Contact 734-422-6230 or wcdcr@rtl-lifespanspan.org to become a LIFESPAN member and help protect the most vulnerable among us.

Good News on Assisted Suicide

The American Medical Association (AMA) again reaffirmed its opposition to assisted suicide on June 9 and voted down a motion to change the official AMA terminology from assisted suicide to “medical aid in dying.” Efforts to legalize assisted suicide in Illinois were also all but defeated for 2025. The bill remains alive in the Legislature, but the legislative tactic used to push the measure ties it to an unrelated bill and thus requires a 3/5 majority in the Illinois State Senate. Experts deem this 3/5 supermajority requirement renders passage unattainable in 2025. It appears Illinois will not yet bring a legalized assisted suicide regime to the Midwest. WAYNE COUNTY Church Notes
July 2025

Hello Pro-life Heroes,

Thank you to all Church Reps and volunteers who helped to make our Father’s Day Chocolate fundraiser successful! We would love to hear your feedback on how well the name-brand Hershey’s bars went over compared to the previous fundraising brand offerings.

As we move into summer, these Church Notes provide the flyer and registration form for our 5th Annual Links for Life charity golf outing. Links for Life tees off at 9:30am on Friday, August 29 at Fellows Creek in Canton. We have enjoyed 4 great years of fun, yet plan this to be the year we breakthrough in terms of numbers and fill a full course with 18 foursomes. Men, women, youth, LIFESPAN members and guests, and golfers of all ability levels are invited! Please be our ambassadors to invite any golfers in your church or community and please seek to include the flyer in your church bulletin or church website.You will notice the QR code on the golf flyer. Moving forward, all LIFESPAN flyers will feature QR codes linking to our website.

Sixteen individuals were trained on best practices for making the case in opposition to assisted suicide at our Defending Life from Physician Assisted Suicide training with Jason Negri of the Patients Rights Action Fund on May 17. A couple exciting developments flow from this training. As of June 9, Tim is representing LIFESPAN as a member of the Michigan Alliance for Ethical Healthcare which is the coalition standing guard against efforts to legalize assisted suicide in Michigan. This will allow us to educate you on assisted suicide in an even more timely and effective manner. Second, LIFESPAN is working to prepare speakers this summer able to speak at your church, organization, or public library to educate about the dangers posed by a legalized assisted suicide regime. We hope to schedule talks by the end of 2025.

Tentative event dates with locations TBD in the Livonia area: CIDER Walk on Saturday, October 4, Legislative Breakfast at 9:00am on Saturday, October 18 focusing on human trafficking, and inaugural Pickleball Tournament in September (outdoors) or November (indoors).

Summer Office Hours: Mon. & Thurs. 9:00am-3:00pm (Effective July 7-August 28)

“The Constitution is a GLORIOUS LIBERTY DOCUMENT. Read its preamble, consider it’s purposes. Is slavery among them? Is it at the gateway? Or is it the temple? It is neither.”

- “What to the Slave is the Fourth of July?” July 5, 1852 speech by Frederick Douglass (and neither is Abortion or Assisted Suicide or Human Trafficking among those purposes!)
