WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. There are numerous ways to support Sanctum House through service and financial support this Christmas. Visit www.sanctumhouse.org to learn more.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Support the Mission of Sanctum House

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined *LIFESPAN*’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. There are numerous ways to support Sanctum House through service and financial support this Christmas. Visit www.sanctumhouse.org to learn more.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at *LIFESPAN*’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a *LIFESPAN* supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of *LIFESPAN*, a Blessed and Merry Christmas to you and yours!**

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Support the Mission of Sanctum House

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined *LIFESPAN*’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. There are numerous ways to support Sanctum House through service and financial support this Christmas. Visit www.sanctumhouse.org to learn more.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at *LIFESPAN*’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a *LIFESPAN* supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of *LIFESPAN*, a Blessed and Merry Christmas to you and yours!**

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdrr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdrr@rtl-lifespan.org.

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Support the Mission of Sanctum House

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined *LIFESPAN*’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. There are numerous ways to support Sanctum House through service and financial support this Christmas. Visit www.sanctumhouse.org to learn more.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at *LIFESPAN*’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a *LIFESPAN* supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of *LIFESPAN*, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Support the Mission of Sanctum House

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. There are numerous ways to support Sanctum House through service and financial support this Christmas. Visit www.sanctumhouse.org to learn more.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Support the Mission of Sanctum House

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined *LIFESPAN*’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. There are numerous ways to support Sanctum House through service and financial support this Christmas. Visit www.sanctumhouse.org to learn more.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at *LIFESPAN*’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a *LIFESPAN* supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of *LIFESPAN*, a Blessed and Merry Christmas to you and yours!**

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. There are numerous ways to support Sanctum House through service and financial support this Christmas. Visit www.sanctumhouse.org to learn more.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Support the Mission of Sanctum House

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined *LIFESPAN*’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. There are numerous ways to support Sanctum House through service and financial support this Christmas. Visit www.sanctumhouse.org to learn more.

December 20-21: *Right to Life – LIFESPAN*

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at *LIFESPAN*’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a *LIFESPAN* supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

December 25-28: *Right to Life – LIFESPAN*

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of *LIFESPAN*, a Blessed and Merry Christmas to you and yours!**

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined *LIFESPAN*’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at *LIFESPAN*’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a *LIFESPAN* supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of *LIFESPAN*, a Blessed and Merry Christmas to you and yours!**

Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. Wayne County Chapter Church Notes December 2025

December 6-7: *Right to Life – LIFESPAN*

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at *LIFESPAN*’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a *LIFESPAN* supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

You Can Help to Prevent Human Trafficking

December 25-28: *Right to Life – LIFESPAN*

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of *LIFESPAN*, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Support the Mission of Sanctum House

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined *LIFESPAN*’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. There are numerous ways to support Sanctum House through service and financial support this Christmas. Visit www.sanctumhouse.org to learn more.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at *LIFESPAN*’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a *LIFESPAN* supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of *LIFESPAN*, a Blessed and Merry Christmas to you and yours!**

Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Support the Mission of Sanctum House

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. There are numerous ways to support Sanctum House through service and financial support this Christmas. Visit www.sanctumhouse.org to learn more.

December 20-21: Right to Life – LIFESPAN

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

December 25-28: Right to Life – LIFESPAN

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

The other sad and shocking reality is that women and children are often trafficked by members of their own family. Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. There are numerous ways to support Sanctum House through service and financial support this Christmas. Visit www.sanctumhouse.org to learn more.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined *LIFESPAN*’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at *LIFESPAN*’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a *LIFESPAN* supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of *LIFESPAN*, a Blessed and Merry Christmas to you and yours!**

As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined *LIFESPAN*'s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. There are numerous ways to support Sanctum House through service and financial support this Christmas. Visit www.sanctumhouse.org to learn more.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at *LIFESPAN*'s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a *LIFESPAN* supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of *LIFESPAN*, a Blessed and Merry Christmas to you and yours!**

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at *LIFESPAN*'s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a *LIFESPAN* supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of *LIFESPAN*, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdrr@rtl-lifespan.org.

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Support the Mission of Sanctum House

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. There are numerous ways to support Sanctum House through service and financial support this Christmas. Visit www.sanctumhouse.org to learn more.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of *LIFESPAN*, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

WAYNE COUNTY CHAPTER NEWS

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

Timothy Pruse

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**

December 2025

Hello Pro-life Heroes,

Thank you for any and all efforts you have made on behalf of *LIFESPAN* and on behalf of the preborn, pregnant women, mothers in need, aged, disabled, trafficked, and all innocent human life during 2025. You are always in our prayers and please keep *LIFESPAN* staff in your prayers.

All Church Representatives are invited to join us online for a Church Rep Zoom Meeting on Wednesday, December 10 at 7:00pm. The goal is simply to listen to you the Church Reps about what is working well, what can be improved, and how we can increase pro-life participation. The link <https://us02web.zoom.us/j/85232494517?pwd=7HxP4HBgUbjWuHugvCpgELs56Gaekc.1>.

Thank you to those who offered *LIFESPAN* Christmas Cards for sale this year. As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Yours for LIFE,

As of mid-November, the entire stock of Christmas Cards is out on consignment save 120 of the large cards from 2024 (the beige Holy Family design). The Oakland/Macomb Chapter has the same progress, so the new 2025 cards seem popular. Hopefully “10 cards for \$10” is a winning slogan and makes life easy for you. Board Member Mary Jo Hodge made up beautiful Christmas mugs stuffed with candy to supplement cards. These were offered for \$10 at a couple pilot churches. If that sounds like something that would interest your church members in 2026, please let the Chapter Office know. This initiative is a response to the reality that most younger families either print their own family photo-cards or send e-cards but may still want to support the cause of life.

Wayne Chapter conducting a can and bottle drive in January. If you are like me, you have a plethora of cans to return after Christmas and New Year’s. We would like to offer people a chance to avoid the hassle of returning cans to the store while supporting the cause of life. This will be discussed during the Church Rep Zoom Meeting. Please let us know if your church would like to participate.

Thank you as well to those who attended the Michigan March for Life at the State Capitol on November 6. *LIFESPAN*’s bus trip was successful, and attendees witnessed excellent speakers, support from State legislators, many high school groups, and pro-life champions from across the state. We sent five buses including fifty young ladies St. Catherine of Siena Academy in Wixom. However, it was disappointing how few churches from Wayne County had any presence at the March. We had to cancel three bus locations due to apathy among local pro-lifers. Voting pro-life is necessary, but certainly not sufficient, to restore a Culture of Life in Michigan and America. We urge you to attend the next Michigan March for Life in November 2027.

WISHING YOU A BLESSED DECEMBER AND MERRY CHRISTMAS!

Assisted Suicide in Illinois

The Illinois State Legislature shockingly passed bill SB1950 to legalize assisted suicide late at night on October 31. What began as a “Food Sanitation Bill” before being hijacked and amended to legalize assisted suicide passed with the minimum possible number of votes. The bill was such a shock it even caught Gov. JB Pritzker off-guard. Although he is pro-abortion, Gov. Pritzker has not yet taken a position on this bill. The fate of disabled, elderly, chronically ill, and financially vulnerable Illinois citizens depends on whether Gov. Pritzker vetoes the bill or signs it into law. Laws passed in Illinois often turn up soon after in Michigan. Pray this Advent and urge Gov. Pritzker to veto SB1950 at <https://gov.illinois.gov/contact-us/voice-an-opinion.html>.

Executive Director Karen Moore and courageous lived-experience speaker Irene Faziani of Sanctum House joined LIFESPAN’s as the keynote speakers at our annual Pro-Life Legislative Breakfast on October 18. Sanctum House empowers survivors of human trafficking to build a sustainable and independent lives. They house up to 12 adult women at a time in 24/7 on-site care and offer trauma-informed services including mental healthcare, legal assistance, job training, mentorship, medical care, addiction recovery treatment, educational and spiritual growth opportunities to survivors. You Can Help to Prevent Human Trafficking

Sanctum House heroically serves survivors of human trafficking in Metro Detroit. Executive Director Karen Moore told the audience at LIFESPAN’s Pro-Life Legislative Breakfast that if you ever come across a potential trafficking situation, the best course of action is to report it to the National Hotline 888-3737-888. Never attempt to directly intervene as it usually makes it worse for the trafficking victim. The National Hotline is also the best way to quantify the number of human trafficking cases in America and it certainly still undercounts the scope as trafficking often hides in plain sight. In Michigan, gangs are heavily involved in trafficking and they often traffic women from gang-to-gang. The other sad and shocking reality is that women and children are often trafficked by members of their own family. Become a LIFESPAN supporter to help educate the public about human trafficking by calling 734-422-6230 or emailing wcdcr@rtl-lifespan.org.

Good News for the Trafficked on Christmas

The Gospel passages at Christmas remind of the human lust for power and greed and capability for brutality by those living in palaces as well as the joy and peace experienced at the birth of the Savior as a lowly babe born in a manger to parents in transit. The lust for power over others and greed continues in human trafficking today, but there is good news. Awareness of human trafficking is growing. Karen and Irene from Sanctum House recently testified at committee hearings in the Michigan State Legislature. The bipartisan committee then voted unanimously to advance 26 individual bills for consideration by the full legislature. To combat trafficking, law enforcement places ever greater focus on finding the true criminals behind the coercion involved in trafficking and less on prosecuting the victims who are often picked up for minor offenses. **On behalf of LIFESPAN, a Blessed and Merry Christmas to you and yours!**
