

Providing clothing, blankets, diapers, bottles...
and a little bit of love...to very special babies

August 2026

Dear Friends,

Every year about this time, I send a letter asking (begging!) if you would continue or add our Wee Care babies to your Giving Tree at Christmastime. Wee Care, as you know, is an ongoing outreach program of Right to Life - LIFESPAN, that supplies packages year-round overflowing with warm blankets, tiny clothing, bedding, diapers and so much more to more than 500 families each year. (The packages are each worth over \$600 – that's over \$300,000 worth of material goods each year! God definitely has a hand in our "loaves and fishes" work!)

For over 30 years, this letter has been about needing supplies to help our moms (who desperately need help) provide for their sweet babies. Our moms may be homeless and living in a shelter, teenagers, who have no family support or a mom who has lost her job or is on bedrest and just needs some temporary help. Each story is different, but every baby is so very loved!

THIS YEAR'S LETTER IS A LITTLE DIFFERENT. We are storming God with prayers that in the next few years, we will have the resources to be able to continue to provide for our moms and their precious babies. Over all these years, our program has only been possible because of the love, prayers, and generosity of so many Christian and Catholic churches. Unfortunately, because of the current restructuring of the Archdiocese of Detroit Catholic churches – many of our dear friends' and supporters' churches will be closed in the spring. (It is heartbreaking.) So, as you can see, now more than ever, we need your help and your prayers to be able to continue to provide for God's tiniest miracles.

Would you be able to continue or add us to your Giving Tree this year? If that is not possible, would you consider a gift card or monetary donation collection? Please call me with suggestions or questions: 734-524-0165. We would be so grateful for ANY help!

Our prayers this Christmas are not only for our moms and babies and our continuing need for supplies, but for our nation and our leaders to protect our most vulnerable, precious little ones, as we celebrate the birth of a tiny baby, wrapped in swaddling clothes, and laid in a manger so many years ago.

May God bless you all!

Sincerely,

Karen Patrosso

Karen Patrosso,
Director, Wee Care
